* Price / pound is for cash or check.

** Regarding total price/ # of pounds: The number of pounds varies from animal to animal and year to year but the price is by the pound for what you actually get.

*** Regarding pick-up date: Pick up dates are approximate and are dependent on our butcher's schedule. Pick-up dates are assigned on a first come basis. When your beef is ready, we will call you to schedule a pick-up date and time.

Please Note: If you choose an August pick-up date and all August beef was been reserved by the time your order arrives, your order will be included in the December pick-up group.

Orders are taken in the order they are received. Once we fill our quota for 2022, we will place names on a waiting list in the event we have additional beef. We do not cash checks for those on the waiting list.
